The Church Chose Helpers

BASED ON ACTS 6:1-7

WEEKLY VERSE: God placed
leaders and teachers in the church.
1 Corinthians 12:28

LIFE POINT: People at church are
helpers.

More and more people were going to the church in Jerusalem. The disciples were busy teaching people about Jesus.

Some of the people in the church needed help. They did not have enough food to eat. The disciples did not have time to take care of everyone who needed help.

The disciples knew they needed special helpers to work with them. The disciples said to the other people in the church, "Choose seven men. They can take food to the people who need it. Then we will have time to teach and pray."

All the people at church thought this was a good plan. They chose Stephen, Philip, and five other men. The disciples prayed with the seven men.

The seven special helpers took food to everyone who needed it. The disciples were able to tell more and more people about Jesus.

THE BIBLE MEETS LIFE

The Bible story taught that people at church are helpers. The church chose special leaders to take food to everyone who needed it.

LIVE IT OUT

Talk with your child about the people who help and serve at your church. Think about more than just the ministers. Explain to your child how each of these people help others learn more about God and Jesus.
